

# Beramendi

A wine with great character and varietal expressiveness. Intense colour and aroma. A vibrant cherry-red. The nose is dominated by dark fruits (blackberries and blackcurrants), spices, vanilla and earthy touches. It is very broad, balanced and fleshy on the mouth. An elegant single-variety wine, with body, presence and a delicious harmonious finish. A delicious pleasure!

**OPTIMUM SERVING TEMPERATURE** 14-16
